To the Shareholders of ARI Network Services, Inc.:

The 2009 Annual Meeting of Shareholders of ARI Network Services, Inc. (the "Company") will be held at the Company's headquarters located at 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin, on Thursday, December 17, 2009, at 9:00 a.m., local time, for the following purposes:

1. To elect two directors nominated by the Company's Board of Directors to serve until 2012 and until their respective successors are elected and qualified;
2. To ratify the appointment of Wipfli LLP as the Company's independent auditors for the Company's fiscal year ending July 31, 2010; and
3. To transact such other business as may properly come before the meeting.

Shareholders of record at the close of business on October 26, 2009 are entitled to notice of and to vote at the meeting and at all adjournments thereof.

Holders of a majority of the outstanding shares must be present in person or by proxy in order for the meeting to be held. Shareholders are urged to vote by completing and returning the accompanying proxy in the enclosed envelope, by a telephone vote or by voting electronically via the internet, whether or not they expect to attend the annual meeting in person. Instructions for telephonic and electronic voting are contained in the accompanying proxy. If you attend the meeting and wish to vote your shares personally, you may do so by revoking your proxy at any time prior to the voting thereof. In addition, you may revoke your proxy at any time before it is voted by advising the Secretary of the Company in writing (including executing a later dated proxy or voting via the Internet) or by telephone of such revocation.

If your shares are held in "street name" (through a broker, bank or other nominee), you may receive a separate voting instruction with this proxy statement, or you may need to contact your broker, bank, or other nominee to determine whether you will be able to vote telephonically, electronically using the Internet, or what is required to vote your shares in person at the annual meeting.

By order of the Board of Directors,

PROXY STATEMENT

The Board of Directors of ARI Network Services, Inc. (the "Company") submits the enclosed proxy for the annual meeting to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each shareholder of record at the close of business on October 26, 2009 will be entitled to one vote for each share of Common Stock registered in such shareholder's name. As of October 26, 2009, the Company had outstanding 7,751,842 shares of common stock, par value \$0.001 (the "Common Stock"). The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date is required for a quorum at the meeting. This proxy statement and the accompanying proxy and Annual Report to Shareholders are being sent to the Company's shareholders commencing on or about November 9, 2009.

Any shareholder executing and delivering the enclosed proxy may revoke the same at any time before it is voted by advising the Secretary of the Company in writing of such revocation (including executing a later-dated proxy) or by voting via the Internet or by telephone.

Unless otherwise directed, all proxies will be voted FOR the election of the individuals nominated to serve as director and FOR the proposal to ratify the appointment of Wipfli LLP as the Company's independent auditors for the Company's fiscal year ending July 31, 2010. The directors will be elected by a plurality of votes cast at the meeting (assuming a quorum is present). In other words, the nominees receiving the two largest numbers of votes will be elected. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that a failure to vote for an individual results in another individual receiving a larger number of votes. Any votes attempted to be cast "against" a candidate are not given legal effect and are not counted as votes cast in an election of directors. The other proposal will be approved if the affirmative votes exceed the votes cast against. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present at the meeting but are not affirmative votes or votes against and, therefore, will have no effect on the outcome of the voting.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON DECEMBER 17, 2009

The Company's annual report to shareholders, including this proxy statement, is available at www.proxyvote.com.

CORPORATE GOVERNANCE

The Board of Directors held nine meetings in fiscal 2009. Each incumbent director attended 75 percent or more of the combined number of meetings of the Board and of the committees on which such director served. While the Company has not adopted a formal policy requiring Board members to attend the annual meeting, all directors are encouraged to attend. All of the Company's directors who were members of the Board on the date of the 2008 annual meeting of shareholders attended the meeting.

The Board of Directors currently does not have a formal process for shareholders to send communications to the Board of Directors. Nevertheless, efforts are made to ensure that the views of shareholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders on a timely basis. The Board of Directors believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. However, shareholders wishing to formally communicate with the Board of Directors may send communications directly to ARI Network Services, Inc., Attention: Chairman, 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin 53224. The Chairman will review such communications and, if appropriate, forward such communications to other Board members.

The Company's Board of Directors has established an audit committee that currently is composed of Mr. Mortimore (chairman) and Mr. Poseidon. Mr. Bridge was a member of the audit committee throughout fiscal 2009 and until October 8, 2009. The Board of Directors has adopted a written charter for the audit committee, a copy of which is attached as Appendix A to this proxy statement. Information regarding the functions performed by the audit committee, its membership, and the number of meetings held during fiscal 2009 is set forth in the "Report of the Audit Committee" included in this proxy statement. The members of the audit committee are independent under the NASDAQ listing standards regarding the independence of directors, including audit committee members. The Board of Directors has

determined that Mr. Mortimore is an “audit committee financial expert” and is “independent” as those terms are defined under the Securities and Exchange Commission regulations and NASDAQ listing standards.

The Company’s Board of Directors has established a compensation committee that currently is composed of Mr. Poseidon and Mr. Feierstein, each of which is qualified as independent under the NASDAQ listing standards. Mr. Bridge was a member of the compensation committee throughout fiscal 2009 and until October 8, 2009. The duties of the compensation committee are to approve all executive compensation, to administer the Company’s 1991 Incentive Stock Option Plan, the 2000 Employee Stock Purchase Plan, the 1993 Director Stock Option Plan and the 2000 Stock Option Plan and to recommend director compensation for approval by the entire Board. The compensation committee does not have a written charter, and does not engage the services of a compensation consultant in determining or recommending the amount or form of executive or director compensation.

The Company’s chief executive officer makes recommendations to the compensation committee regarding the numbers of options to be granted to the Company’s executive officers and other employees based in part on input he receives from the Company’s director of human resources. The chief executive officer also makes recommendations to the compensation committee with respect to other executive compensation, though he recuses himself from portions of compensation committee meetings during which his own compensation is discussed. The Company’s chief financial officer has historically made recommendations to the compensation committee regarding director compensation. The compensation committee met seven times during fiscal 2009.

The Company’s Board of Directors has not established a nominating committee, as decisions regarding Board membership are made by the full Board. Due to the small size of the Company’s Board of Directors, as well as the recent lack of turnover in the Board of Directors, the Board has determined not to have a separate nominating committee. Likewise, the Board has not adopted a written charter governing director nominating decisions. Messrs. Bridge, Feierstein, Mortimore and Poseidon are independent under the NASDAQ listing standards, but Mr. Olivier and Mr. Dearing are not because they are executive officers of the Company.

The Board will consider candidates for director that are nominated by shareholders in accordance with the procedures set forth in the Company’s by-laws. Under the by-laws, nominations, other than those made by the Board of Directors, must be made pursuant to timely notice in proper form to the secretary of the Company. To be timely, a shareholder’s request to nominate a person for director, together with the written consent of such person to serve as a director, must be received by the secretary of the Company at the principal office not later than 90 days and not earlier than 150 days prior to the anniversary date of the annual meeting of shareholders in the immediately preceding year. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination.

The Board will consider proposed nominees whose names are submitted to it by shareholders. However, it does not have a formal process for that consideration because it believes that the informal consideration process has been adequate given the historical absence of shareholder director nominations. The Board intends to review periodically whether a formal policy should be adopted.

The Board has generally identified nominees based upon suggestions by non-management directors, management members and/or shareholders. The Board considers factors important for potential members of the Board, including the individual’s integrity, general business background and experience, experience with our industry, and the ability to serve on the Board. The Board does not evaluate proposed nominees differently based on who made the proposal.

Code of Ethics

The Company has adopted a code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. The code of ethics is designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest, compliance with applicable laws, and full, accurate, timely and understandable disclosure in reports we send to our shareholders or file with the SEC. Violations of the code of ethics are to be reported to the audit committee. A copy of the code of ethics may be obtained, without charge, by sending a request to ARI Network Services, Inc., Attention: Chief Financial Officer, 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin 53224.

The assumptions used to determine the FAS 123R values with respect to fiscal 2009 are described in Note 8 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended July 31, 2009. The Separation and Consulting Agreement is described below under "Agreements with Named Executive Officers."

Stock Option Grants. All of the Company's stock option grants qualify as incentive stock options up to the \$10,000 per year limitation and vest 25% per year on July 31, provided the participant is an employee of the Company at such date. Options are exercisable up to ten years after the date of grant, one year from the date of a termination of employment upon death or disability of the participant, 90 days from the date of termination for any reason other than "cause" or immediately upon termination for "cause."

Annual Incentive Compensation. The annual component of the Company's Management Incentive Bonus Plan provides for annual cash incentives for the participants, which, in fiscal 2009, included Mr. Olivier, Mr. Tenpas and Mr. Folberg, among others. The amount of the annual incentive opportunity has three equally weighted components: revenue, operating income and other management objectives ("MBOs") agreed upon by the executive officer and the chief executive officer (or Compensation Committee for the CEO) at the beginning of fiscal 2009.

For fiscal 2009, participants could earn 50% of the revenue component based on achievement of 100% of the revised revenue targets determined by the compensation committee, with the opportunity to earn the remaining 50% based on achievement of two times the revised revenue target plus an amount equal to the first quarter revenue shortfall relative to plan. An additional 1% of revenue bonus could be earned for each 1% of revenue attained over the prior fiscal year up to 200% of the annual revenue component. No payouts would be made under the revenue component for achievement below the revised revenue target.

Under the operating income component of the annual incentive plan, participants were eligible for a payout of 15% of the annual incentives based on achievement of 90% of plan target performance. For each 1% over 90% of plan that was achieved up to 95% of the plan, participants could earn an additional 5% of the incentive component. Participants would receive payouts of 60% of the annual incentive component for achievement of 95% target plan performance. For each 1% over 95% of plan that is achieved up to 100% of plan, an additional 5% of the amount payable would be earned. Participants would receive payouts of 100% of the incentive component based on achievement of 100% of target plan performance, and an additional 1% for each 1% over 100% target plan performance. MBO components of the annual plan were earned based upon attainment of the pre-established objectives.

Based on his role as the Company's Chief Corporate Development and Strategy Officer, Mr. Dearing's annual incentive for fiscal 2009 was based on four elements: two MBOs, one of which was weighted 10% and the other of which was weighted up to 50%; an acquisition financial performance component, weighted 15%, based on achievement of specified revenue and EBITDA financial results related to Info Access, which was acquired by the Company in July 2008; a Company financial performance bonus, weighted 15%; and a separate Company revenue target bonus, weighted 10%, which functions the same as the annual revenue component of the Management Incentive Bonus Plan.

Mr. Dearing's MBO component payouts were based on attainment of pre-established objectives for each of his two MBOs. Under his acquisition performance component, he would earn 15% of the target incentive component for achievement of 80% and 90% of target revenue and EBITDA levels, respectively. For each 1% of achievement over those 80% and 90% revenue and EBITDA levels, he could earn an additional 2.5% and 5.0%, respectively, of the incentive component. He would earn 60% of the target incentive component for achievement of 90% and 95% of target revenue and EBITDA levels, respectively, with an additional 2.5% and 5.0%, respectively, for each 1% of performance in excess of those levels. For performance at 100% for each of the target revenue and EBITDA levels, Mr. Dearing would earn 100% of the target incentive component, with an additional 1% for each 1% of performance in excess of those levels. The Company financial performance component of Mr. Dearing's annual incentive plan functioned the same as the Management Incentive Bonus

Plan described above, and the separate Company revenue target bonus functioned the same as the annual revenue component of the Management Incentive Plan as described above.

The combined results for the fiscal year ended July 31, 2009 under the annual incentive arrangements described above resulted in payouts ranging from 10% to 52% of the participants' target incentive amounts for the fiscal year ended July 31, 2009, as follows: Mr. Olivier—45%; Mr. Dearing—52%; Mr. Tenpas—20%; and Mr. Folberg—10%.

In addition to being a participant in the Management Incentive Bonus Plan arrangement described above, in his capacity as Vice President of Sales, Mr. Tenpas was eligible for fiscal 2009 to receive a commission achievement of base revenue and revenue growth components, weighted approximately 70% and 30%, respectively.

Long-Term Incentive Compensation. The Company's executive officers were awarded long-term incentive compensation under the long-term component of Company's Management Incentive Bonus Plan until the Plan was terminated at the end of fiscal 2008. These awards were based on a target award equal to the executive's actual annual incentive earned, adjusted based on the Company's performance over three consecutive one-year performance periods. The amount of the payout is adjusted on a sliding scale based on the extent to which the Company's revenue plan is achieved for each of the three years, ranging from a floor of 75% of the target award if the Company's revenue plan is not met to a cap of 200% of the target award if revenue equals or exceeds 150% of plan. One-half of the floor amount (75% of the target award) is paid in Company Common Stock, valued at the time of payment, and the remainder of the award is paid in cash. The award was to be paid in three annual payments following each of the three years in the performance period, provided the participant is employed by the Company at such time.

Since the plan was terminated in fiscal 2008, payouts for fiscal 2006, 2007 and 2008 remain outstanding for Mr. Olivier and Mr. Dearing as they were the only executives included in the plan at the time of termination. Payouts will be adjusted as noted above based on the Company's revenue during fiscal years 2010 and 2011 and paid in installments following each of those fiscal years, provided the participant is employed by the Company at such time.

Also pursuant to the agreement, Mr. Olivier was granted an option to purchase 300,000 shares of the Company's common stock pursuant to the terms of an award agreement between Mr. Olivier and the Company. The agreement also provided for the reimbursement of Mr. Olivier for up to \$30,000 of his actual out-of-pocket moving expenses incurred in accordance with its terms.

In the event that Mr. Olivier is terminated without "cause," by death or "disability" or for "good reason" (as defined in the agreement), the Agreement provides that Mr. Olivier will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. The agreement provides that Mr. Tenpas will receive an annual salary of \$165,000, subject to annual review and adjustment by the Compensation Committee and the Board of Directors. While employed by the Company, Mr. Tenpas is eligible to participate in the Company's Management Incentive Bonus Plan, under which he was initially eligible to receive

a bonus of \$40,000 or 100% if such plan's targets were met, and the Vice President of Sales Compensation Plan, under which he was eligible to receive a bonus of \$65,000 if 100% of such plan's targets were met. Upon commencement of his employment, Mr. Tenpas was granted an option to purchase 50,000 shares of the Company's common stock. He is entitled to receive perquisites and benefits provided by the Company to its senior executive employees, subject to applicable eligibility criteria; paid vacation and a car allowance of \$500 per calendar month.

Mr. Folberg. On June 16, 2009, the Company entered into a Separation and Consulting Agreement with Kenneth S. Folberg. Under the agreement, June 16, 2009 (the "Separation Date") was the last date of Mr. Folberg's employment with the Company as its Vice President of Finance and Chief Financial Officer. The Agreement further provided for the engagement by the Company of Mr. Folberg in a post-separation consulting arrangement.

Under the Agreement, the parties acknowledged and agreed that the Company had complied with its obligations under the Mr. Folberg's Employment Agreement dated July 28, 2008, and had no further obligations to Mr. Folberg arising from his employment with the Company, except the obligations to: (1) pay Mr. Folberg his base salary through the Separation Date; (2) pay Mr. Folberg for any vacation (but not personal holidays) that he had accrued but not used prior to the Separation Date; (3) pay Mr. Folberg any earned but unpaid bonus due to him for any fiscal quarter of the Company that had been completed as of the Separation Date; (4) provide Mr. Folberg with his vested rights, if any, as of the Separation Date in the Company's 401(k) plan; and (5) provide Mr. Folberg with the right to participate, at his own expense, in the Company's group health insurance plan in accordance with the mandates of COBRA.

The term of the consulting arrangement between Mr. Folberg and the Company was effective on June 16, 2009 and will continue until March 15, 2010, subject to certain earlier termination provisions. Mr. Folberg's Separation and Consulting Agreement provides that Mr. Folberg will act as an independent contractor during the consulting period for purposes of performing consulting services (including, without limitation, those services enumerated in the Agreement) for the Company regarding the Company and its finances and the industry in which it operates. Mr. Folberg is required to devote his time and efforts as necessary to perform and complete the services related to his obligations under the agreement; provided, however, that such time may not exceed 693 total hours during the entire consulting period, or 154 hours in any single calendar month, prorated for any partial calendar month, subject to the specific provisions of the agreement.

As compensation for his consulting services, the Company pays Mr. Folberg a total fee of \$15,833.33 per month, prorated for any partial calendar month of the consulting period. Should the Separation and Consulting Agreement terminate prior to March 15, 2010, the Company will only be obligated to pay a prorated portion of the final monthly fee. Any time devoted by Mr. Folberg to the performance of consulting services under the Agreement greater than the 693 total hours specified in the Agreement will be paid by the Company at a rate of \$91.35 per hour, provided that any such additional hours must be approved in advance by the Chairman of the Board of Directors of the Company. The Company is also required to pay or reimburse Mr. Folberg for all ordinary and reasonable out-of-pocket expenses incurred in performing consulting services under the agreement, provided that any single expense exceeding \$500.00 must be preapproved by the Chairman of the Board.

Under the agreement, Mr. Folberg agreed to release the Company from any and all claims against the Company. In addition, the Company agreed to release Mr. Folberg from any claims arising out of or related in any way to his employment by the Company, other than for claims involving misconduct of the type specified under the applicable Wisconsin statutes. The agreement also contains customary confidentiality and non-disparagement provisions. The agreement will terminate in the event of the expiration of March 15, 2010, the mutual written agreement of the parties or the material breach or material violation of the terms of the agreement by either party.

Change of Control Agreements. The Company has entered into Change of Control Agreements ("Change of Control Agreements") with each of its executive officers. The Change of Control Agreements are intended to reduce the incentive for officers not to support a transaction that is beneficial to shareholders for fear that their employment would be terminated, retain the services of these officers and provide for continuity of management in the event of any "Change of Control," as defined below. These Change of Control Agreements provide that each officer shall receive severance benefits equal to two times the sum of salary and targeted bonuses and medical and dental plan continuation for two years if, within two years following a "Change of Control," as defined below, the officer's employment is terminated without cause or by the executive for good reason. For this purpose, "good reason" is defined to include: (i) a material diminution of or interference with the officer's duties and responsibilities; (ii) a change in the principal workplace of the officer to a location outside of a 50-mile radius from Milwaukee, Wisconsin; (iii) a reduction or adverse change in the salary, bonus, perquisites,

benefits, contingent benefits or vacation time previously provided to the officer: or (iv) an unreasonable increase in the workload of the officer. In addition, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. If the officer leaves ARI for any other reason, within two years following a Change of Control, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. The officer is under no obligation to mitigate amounts payable under the Change of Control Agreements. In addition, upon a Change of Control, all stock options and similar awards become immediately vested and all deferred compensation becomes payable.

For purposes of the Change of Control Agreements, a "Change of Control" means any of the following events: the acquisition (other than from the Company) by any individual, entity or group, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 50% or more of the combined voting power of the Company's then outstanding voting securities; (ii) a merger, consolidation, share exchange, or sale or disposition of substantially all of the assets of the Company; or (iii) approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Oversight Board (United States). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with auditors' independence.

The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination and their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held five meetings during fiscal 2009.

In reliance on the views and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended July 31, 2009 for filing with the Securities and Exchange Commission.
